Beautiful and Appealing Oil Paintings

Now Yours as Full Color Large Art Prints

ALL 4 ONLY \$1

Just picture these irresistible critters in your own home. Everyone who sees these appealing animals fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Coby, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly wild animal. Under his sensitive brush, the wonder of these lovable jungle animals and the colorful backgrounds combine to give a refreshing glimpse of life. Unfortunately the black and white illustrations here cannot possibly convey all the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures, we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 11" x 14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine. ©1971 Division of Bevis Industries

The sun was just breaking over the horizon as Ollie Owl and Henery Hawk came to a quiet pool up the stream.

"Here we are," declared Ollie. "Now watch me start catching the fish."

The two friends sat down beneath a tree and laid their fishing gear alongside them. Then they began rigging up their poles.

"Henery," cried Ollie as he saw how his friend was preparing his hook, "do you mean to say that you are going to be so crude as to use worms for bait?"

"It may be crude, but I've always used worms and I've always caught fish," answered Henery, slightly huffed. "What are you going to use?" he asked Ollie.

"Why, naturally, I'm going to use a fly," was the answer. "You see, I'm an authority on fly fishing. I've read numerous books on the subject, and I've learned all about the different types of flies to use and how to make them."

"Oh, do you make your own?" Henery asked, dropping his hook in the water.

"Of course I do," sniffed Ollie. "One is not a true fisherman until one does make his own flies."

"Imagine that," replied Henery humorously, "and all the time I thought a true fisherman was one who caught fish."

"Go ahead and laugh, but you'll change your tune when you see me pull in twice as many as you do," retorted Ollie a little sharply as he opened his tackle box and took out a large, gaudy artificial fly. "Take a look at this beauty," he said as he proudly handed it to Henery to inspect. "This is craftsmanship at its finest."

"That is a good-looking job," conceded Henery as he passed it back. "But how can you catch a fish with it if..."

"No carping, please," Ollie snapped as he fastened the fly to the end of his line. "You just watch and I'll show you how to catch fish with it." With that, he deftly cast his line towards the center of the stream.

"If you have any luck with that fly, Ollie," grinned Henery, "I'll certainly be surprised, because..." Suddenly he felt a quick jerk on his hook. "Whoops! I got one!" he cried, pulling in a plump trout.

"Hmph! Pretty lucky!" snorted Ollie, making another futile cast with his rod. "But wait till they discover this fly. They'll forget all about your worms."

"But, Ollie, that fly..." Henery started to say.

"Shush!" admonished Ollie. "Hold down the talk. You're scaring the fish."

After a few minutes of silence and a few more unrewarding attempts at casting, Ollie finally said, "Henery, I can't understand it. This is the best kind of fly. Yet all I've been able to get is a few nibbles."

"Well," answered Henery as he pulled in his fifth big trout, "take a good look at it." Then, as Ollie stared in consternation at what he saw, Henery continued, "I've been trying to tell you that you would have more luck if you had put a fishhook in that fly you made! But it's a good idea," he added with a smile, trying to cover up Ollie's embarrassment. "I can see your strategy. Instead of hurting them with a hook, you just wanted to tickle the fish to death with a fly!"
